Summary

Co-Founder. Teacher. Team builder. Mother.

I believe that education is one of the most powerful tools that shapes and moulds the way our youth think.

Working on creating unique and personalized learning experiences for students globally. My job is to ignite the passion and energy of my teams to deliver on BYJU'S' purpose of 'Making children fall in love with learning'

A teacher by passion and by choice since 21, I truly believe that teachers play an integral part in helping children understand and celebrate the beauty of life-long learning.

I spend most of my time:

-Helping children learn better through tech-enabled personalized learning programs

-Transforming the way students approach learning

-Building passionate teams who ensure a smooth learning experience for every student on the app

-Creating interesting and engaging stories that inspire and educate everyone about brand BYJU'S

Experience

Byju's (Think & Learn Pvt. Ltd.)
Co-Founder
September 2009 - Present (11 years)
Bengaluru Area, India

BYJU'S is the world's most valuable ed-tech company (at USD 8 billion) and the creator of India's most loved school learning app which offers highly adaptive, engaging and effective learning programs for students in classes 1-12 (K-12) and competitive exams like JEE, NEET, CAT and IAS.

BYJU'S launched its flagship product, BYJU'S - The Learning App, for classes 4-12 in 2015. Today, the app has over 42 million registered students and 3 million annual paid subscriptions. With an average time of 71 minutes being spent by a student on the app every day from 1700+ cities, the app is creating a whole new way of learning through visual lessons. The Disney. BYJU'S Early Learn App was launched in June 2019, a special offering from BYJU'S for students in classes 1-3 featuring Disney's timeliness characters. In early 2019, BYJU'S also acquired Osmo, a Palo Alto based maker of educational games to transform the whole offline to online learning experience. BYJU'S has been backed by strong and prominent investors like Chan-Zuckerberg Initiative, Naspers, CPPIB, General Atlantic, Tencent, Sequoia Capital, Sofina, Verlinvest, IFC, Aarin Capital, TimesInternet, Lightspeed ventures, Tiger Global, Owl Ventures & Qatar Investment Authority.

Delivering a world-class learning experience, programs from BYJU'S are making learning contextual and visual. The apps have been designed to adapt to the unique learning style of every student, as per the pace, size and style of learning. BYJU'S is paving the way for new-age, geography-agnostic learning tools that sit at the cross section of mobile, interactive content and personalised learning methodologies. BYJU'S is also the official sponsor of the Indian Cricket Team.
