Excellence Award| Featured in Ted.com and SWE Magazine
Nagpur

Summary

Anubha Maneshwar founded a non-profit company called GirlScript
Foundation to help beginners in technology. Currently, her
organization is working in 56 cities of India and has impacted over
40000 beginners. She has been featured in Forbes Under 30 Asia
List of 2020 under the Social Entrepreneurs category and in Top 8 of
Technology Playmaker Award by Booking.com at London UK. She
is the winner of the Indian Women Leadership Excellence Award, 35
Under 35 Awards in Best Startup for Education Category and India's
Top 100 Young Leaders Award. A mentor at Mozilla Open Leaders
Program, Learn IT Girl and speaker at Tedx, PyCon North America.
She loves to help people and wants to transform how the education
system works in India via tech and communities.
